Cole Slaw

Shrimp and Grits

Chef's Vegetable Du Jour

On behalf of my family and the entire staff I hope that you are having a wonderful summer.

As we approach the Fall, we can reflect on many things that have taken place at the club. The Club continues to grow in membership, rounds, and activity at a comfortable pace. Along with the success, there has been many challenges as well. The Club continues to pay close attention to the modern economic environment (such as labor shortages, supply chain shortages, and inflation). In addition, we are addressing and improving infrastructure issues on the course and the clubhouse. Examples of these improvements include: replacing our water line that serves the building and the tree removals and limbing that allows for more turf growth.

I have received many comments on the great condition of the golf course. We are grateful to the maintenance staff for their continued hard work (particularly in the heat) in improving our course. Just this week we post emerged about 100 acres to get rid of unwanted summer weeds. We have many plans, both big and small, to continue improving the entire facility. We also have goals of improving our member services through several initiatives that we believe will give added value.

I am extremely fortunate to be able to serve you, the members, and work at such a wonderful place. I love the industry that I have chosen as my occupation and remain passionate about Houndslake Country Club. Moving forward, I will do my best to improve the club in all areas.

I sincerely thank you for all of your support here at the club. Please visit your home away from home often and let me know if I can ever be of any assistance.

Sincerely,  
Daniel Seawell

*Welcome Tyler*

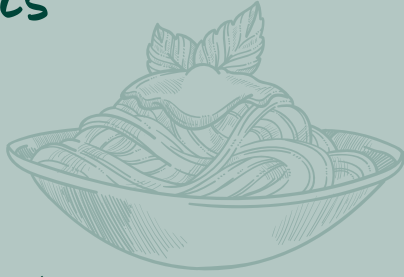

Houndslake is pleased to announce that Tyler Long has been appointed to the position of Director of Food and Beverage. Tyler is joining the Team from the Crown Plaza Hotel in North Augusta where he managed Beverage Operations. Tyler has a tenured history in operating highly successful Food and Beverage operations. Tyler began his career with Hyatt Hotels and was also on the Leadership Team at Top Golf in Augusta. Tyler will be responsible for all Food and Beverage Operations at Houndslake. He is a native of California now residing in Augusta with his puppy Tank. Tyler is a Veteran having served as a Combat Medic in the U.S. Army. Please join me in welcoming Tyler to our family.

Sonja Johnson +1

## CONTINUED GROWTH

As we constantly strive to enhance your dining experience, we are pleased to announce, we are in the beginning stages to officially Re-open the Grill Room! This has been motivated due to the support from members, and will be successful based on continued member support.

## Tee Talk

If you are inconsistent with your sand play (sometimes too far, sometimes too short), your club is entering the sand either too close or too far behind your ball. The next time you practice your sand play try this drill: Draw a line in the sand approximately three feet long: Draw a line in the sand approximately three feet long standing perpendicular to this line, try to make your club enter the sand at the line. Practice this drill until you can hit the line a high percentage of the time. Now the next time you are in the sand bunker, just keep in your mind, hit the line!
