

2021 WRAPS WITH SOLD-OUT EVENTS, PROGRESS ON RENOVATIONS

HOLIDAY MUSIC REVUE A HIT WITH MEMBERS

By: David Davis

General Manager

December was another successful month here at the Club with sold-out special events and progress being made around the Clubhouse. The Clubhouse looked absolutely beautiful with all the decorations “hung with care” by our Garden Club. Thank you, ladies, for what your group does for us! I welcome all of the members to come out and take a look at the work in progress around the Club. Daniel and Casey Seawell, with the help of Jerry Clements, have painted almost the entire Clubhouse. The new carpet and flooring for the Ballroom arrived on December 22nd and are being installed. The plan is to really use the Ballroom more

heading into 2022. Out on the golf course, you will see progress as well. We continue to work on opening up the golf course by reclaiming the drip line of the trees on several holes. This tree trimming and mulching completed in November has really opened things up. Sorry to all of our Golf Ball Hunters for clearing the good spots. This clearing will help the course and speed up play.

STATE DISC GOLF TOURNAMENT: I am excited to say that December was an amazing month around Houndslake with all of the Christmas parties and lunches. The State Disc Golf Tournament was a huge success. The disc course on the Laurel was well

received by the professional disc players. This event also was well received by most of the Laurel Homeowners. Thank you to Steve Floyd and all of the "Friends of the Laurel" for your help with this.

In regard to dining, we hit all of our goals for attendance at each of the featured events in December. The Paladin Productions' "A Very Merry Music Revue" was a huge success and sold out quickly. What a great night of good food and Christmas Cheer. Chef Miles and Chef Kerry's food was amazing, and it was great to see our members out with friends and family having a festive time. Our Christmas Ladies Night Buffet was sold out as we fed more than 170 people. Thank you to all of our members who came out and supported these events.

In closing, I want to wish all of you a safe, healthy, happy, and prosperous New Year. I want to personally thank all

of you who were able to contribute to our Employee's Christmas Fund. I can tell you we all really appreciate your support and your generous contributions. As you have all probably heard by now, I will be stepping down as your General Manager of Houndslake in January as I have an opportunity that I cannot pass up. I will still be involved and active at the Club as a member, homeowner, and friend. Thank you to the Seawell Family, my Houndslake Staff, and to all of you for the support you have shown me over the past year as your General Manager. You will continue to see me at the Club!!

With much appreciation,

David Davis

JANUARY SAFETY TIPS

Simple Winter Maintenance Can Save You in the Long Run

Although harsh winter weather in the South is rare, here are just a few winter safety reminders for January:

- **Remember to check the batteries and test your smoke detectors this month.**
- **Install a carbon monoxide detector. Carbon monoxide poisoning is higher in winter months.**
- **Check your tire treads for safe driving in winter weather.**
- **Remember to bring your pets inside from the cold.**

As you make your New Year's resolutions this year, please add joining the Houndslake Neighborhood Association to the list! Help your neighborhood thrive in 2022!

HNA membership invoices will be mailed to all Houndslake residents in January. Please join and support your neighborhood!

Stay warm this month and check the HNA Facebook page for information on an upcoming chili cook-off.

Looking forward to a great New Year with our neighbors!

GARDEN CLUB NEWS

Club Members Carol at Festive Luncheon

The Houndslake Garden Club held their Christmas Luncheon and meeting on December 17, 2021, in the dining room of the Country Club. We sang Christmas carols by the baby grand piano and listened to a humorous story along with *The Night before Christmas*. Luncheon was served at tables decorated with poinsettias, magnolia leaves, small reindeer ornaments, and battery-powered Christmas lights. Each member was given a bird feeder made by one of our members out of a cup and saucer glued together.

The Garden Club would like members to propose new people for membership. They do not have to be a member of the Country Club to join. This is a great chance to meet new people and learn how to garden in this area. We have several field trips and a lot of fun activities planned for the coming year.

Our next meeting will be held at 10:30 a.m. on January 21, 2022, at the Country Club. The program will be *A Giant Pumpkin and Other Tales*. It will be presented by Tiaguana Cochnaur.

January Trivia Question

In the Disc Golf Tournament that was recently played here on the Laurel nine, targets were set up across the Laurel. These targets can either be permanently installed or portable for events like we just hosted. These targets act as the same thing as the hole does in traditional ball golf. What is the official name for these targets?

HOW TO WIN

First person to email the correct answer wins a coupon for a free Sunday Brunch. Thanks for playing Houndslake Trivia.

LADIES, GO FROM BOGIES TO BIRDIES

Yes, we do have an 18 Hole Ladies Group. In the past, you have seen postings of the results for our Group here at Houndslake Country Club in The Horn, our newsletter.

WE PLAY ON:

Tuesdays 9:00 am (Ladies' Day)

Thursdays 9:00 am

Saturdays 9:00 am

Our generous club has allotted us many opportunities for ladies to play an 18-hole round. Pick a day, two, or all three days to enjoy some of the best social golf around. We have many levels of expertise playing with the group. Come enhance the collection with your skills, experience, and social hilarity! Depending on handicap, we have an opportunity to play competitively against some of the best course clubs around the area in a Team Match Play format, if interested. We also receive "Invitationals" from area courses allowing us to compete against other clubs, flighted to accommodate your specific handicap. Lots of fun, giving us the opportunity for new friendships and allowing us to be "ambassadors" for our own club. Please come try us out at your first convenience. Email to our co-President Dianne Russotto is below or call the pro-shop to have them add your name to the preferred day's numbers.
