# Homegrown Herbs

The Houndslake Garden Club held their May Luncheon at Anshu. The tables were decorated with metal planters that held Gerbera Daisies, Petunias, Ivy, and Begonias. Once everyone was finished eating, a brief meeting was held, and the officers for 2022-2023 were installed. The planters were given to the attendees who had picked the number that matched a number that was hidden in each container. On April 24th, Garden Club members Joan Basile, Anne Mayenschein, Pam Henning, Jane Jones, and Judy Clements planted various species of rosemary, basil, thyme, and marjoram in front of the Country Club. The herbs will be used by Chef Kerry to create delicious meals for the Country Club.

On June 17th, a potluck luncheon will be held at the home of Joan Basile. We hope to view a garden before the luncheon.
