

## DEAR Members,

Big things have been happening behind the scenes at our club recently. As you all know, we were fortunate enough to have Steve Floyd as our Interim General Manager for the past year+. The time has come for Steve to pass the torch along and re-retire! It is with great pleasure that I announce the hiring of Houndslake Country Club's new President/CEO Mike Rose.

Mike's first day in The Club was June 28th. Mike has many years of experience in the Hospitality Industry with some wonderful companies and he has developed an impressive arsenal of expert skills including Leadership, Food Service Management, Operations, Team Building and many more that have him perfectly aligned with the core nature of our Club. After spending time with Mike, I am more than confident that he is the right choice to lead our team and help them to excel every day and consistently go above and beyond in making all our members experience the best they can be. What is most exciting for me is the fresh ideas and boundless enthusiasm that he is bringing to Our Club to make it better everywhere. Thank you for joining me in welcoming Mike to the Houndslake Team. He is a terrific new addition to our community, and I am confident he will be a true asset to Houndslake. I respectfully request and I thank you in advance for giving Mike your complete cooperation as he gets settled in and learns about our Club and delivers the best of his services for the benefit of the members and staff.

In conclusion, I must take a pause and recognize my good friend, Steve Floyd, and thank him for stepping in as our Interim General Manager during our time of need. His dedication, hard work, selfless service and integrity is beyond inspiring to me and all of us at The Club. His character embodies the spirit that makes Houndslake truly special – compassion for others, perseverance, sense of community, kindness and the willingness to make things better. For his service, I am grateful and indebted to him. I am pleased that I will continue to see him on a regular basis as a member and a close friend.

Sincerely,  
Daniel G Seawell
