DEAR MEMBERS,

My family, the staff, and I would like to wish you and your loved ones a happy new year!

As 2020 comes to a close, we can reflect on everything that has taken place. The previous year was a trying and challenging year for so many of us. Perseverance, patience, ingenuity, kindness, selflessness, and compassion were common traits in our community.

I am extremely fortunate to be able to serve you - the members - and work at such a wonderful place. I love the industry that I have chosen as my occupation and remain passionate about Houndslake Country Club. Moving forward to 2021 and beyond, I will do my best to improve the club in all areas.

We have many plans - both big and small - to improve the entire facility, including: golf course projects, the ballroom, the swimming pool, the locker rooms, and the exterior of the clubhouse. We also have goals of improving our member services through several initiatives that we believe will give added value.

You can expect more fun, engaging member programs such as our Saint Patrick's Day spring party, summertime luau, Oktoberfest, member Christmas party, Adult/Junior Golf tournaments, and many others. Now more than ever, I know that Houndslake is the perfect environment to meet and make new friendships and strengthen old ones.

I sincerely thank you for all of your support here at the club. Please visit your home away from home often and let me know if I can ever be of any assistance.

I wish you much success in 2021,

DANIEL SEAWELL

Garden Club News

Thank You very much to the Houndslake Garden Club for taking time to decorate the Clubhouse for the Holidays. They worked very hard to make the Clubhouse look very festive!

The Houndslake Garden Club Christmas Luncheon was held on December 18, 2020 in the Pub at the Club House. Thirteen Members attended and the food was delicious.

We started with a brief meeting. Virginia Brown read *The Night Before Christmas* and *Yes, Virginia, There Is a Santa Claus*. Hearing the stories reminded us of Christmas times past when things were better.

The January meeting will be held on January 15th at the Club House at 10:30a.m.. The Program will be "Loving Lavender". An Employee from Cold Creek Garden Center will be telling us about lavender, and other herbs.

JANUARY GARDENING TIPS

It's not too late to plant your spring flowering bulbs. As long as you can dig a hole, you can plant them!

Turn over your garden soil. By doing this, it exposes any bugs/insects to the cold weather and kills them.

Keep a watch on all your houseplants for insects. Spidermites, aphids, white fly and mealybugs can infest your plants.

Fruit trees and deciduous trees and shrubs can be pruned this month. The best time is when they are dormant. Do not prune any of your spring flowering trees or shrubs, they have already set their buds.
